Town Gives License Big Majority— Surprise After Eleven Months of Ne-License—Holt-Withes Wedding— Brooklyn and Moosup Form Suffrage Association Branches.

The amazingly large majority for itcense-amazing alike to license and
no-license forces—that was turned in
by the voters of Killingly Monday is
the answer to the conditions that have
existed in this town during the last
if months of no-license. It has been
conceded for weeks that the town
could be kept in the no-license column
only by a miracle of chance and the
miracle did not come to pass.

Many voters have watched closely
many things that have taken place
here and have thought a lot though
saying little and what they have
watched and what they have thought
about was not exclusively the pony
express, which to say the least, has
been operating under the law of the
state.

Never in the history of Killingly has Never in the history of Killingly has such a large majority either for or against license been turned in. It is now understood that many who helped bring license back here for the coming year with their vote will expect the license men, meaning in this case the licensed dealers, to run their places in a clean, isgal way and not to be over-avarious for revenue when dealing with certain classes of drinkers. Danielson will insist on having streets that will not discredit the town or support of the license question next year will not be as widespread as it has been this year.

The ideal weather helped swell the vote, for it allowed many old and infirm persons and others in poor health to safely make the journey to the polls. Over 500 votes had been cast at 11.30, when the polls had been open only 3 1-2 hours. From the time that was taken in the booths by many voters it was then evident that a great many split tickets were being voted, this being chiefly due to a desire to help favorite candidates for selectmen, they being the center of the voting contests of the day.

## ONE REPUBLICAN LOSES.

Progressives Elect First Selectman Democrats Get Fine Vote-Killingly Votes for License, 729 Yes, 481 No.

The republicans elected their entire ticket, with the exception of Frank A. Whipple, candidate for selectman, in Monday's voting. The democrats, driven out of office last year by the progressives, made a fine showing and won back the minority representation for town officers. The progressives elected only one man of their entire ticket, Louis E. Young, who was given a very fine vote and will be the first selectman furing the coming year. It was necessary to recount the votes to the determine who would have the position of selectman, it being finally announced that the vote as indicating the choice of the man elected for first selectman was Young 403, Glibert 394. Frank A. Whipple received 355 votes for selectman (Clayton Wright 282 and Affred P. Burnes 344. F. P. Alfred P. Burnes 344. F. P. Preston's vote for town clerk and treasurer was increased 276 votes over what he received in the republican column by his support from the progressives. The big surprise of the day was the vote on the license question, the town going 248 majority for license, which is a record for the town.

The following were elected:
Republican—Assessor, Charles B. Hutchins 428; board of relief, for three years, W. Irving Bullard 378; for two years, John H. Perry 400; fao one year, James N. Tucker 414; selectmen, John A. ## TAX OF 18 MILLS.

Voted at Town Meeting-Town Reports Must Be Ready Ten Days Before Election.

At the annual business meeting of the town Menday it was voted to lay a tax of 13 mills for the present bus-iness year, this tax to be collectable on or before April 1, 1916. The town also appropriated \$30,000 for the main-tenance of the common schools, the high school, for music in the school and for school supplies. Other appro-priations were \$2,000 for highway re-pairs, \$1,000 for repairs of bridges, \$125 for Memorial day, \$300 for a free

It was voted to compensate the as-sessors at the rate of \$200 each per year, with the understanding that these officials view each piece of property, base their valuations on

their personal estimate of property value and to make suitable inquiries as to the value of property. The meeting voted that the select-men be instructed to see that the annual town reports are ready for dis-tribution ten days before the next an-nual meeting of the town and that the next annual town reports contain a record of the calls for town meet-

ings during the year and of votes passed as such meetings.

L. H. Fuller was named as chairman of a committee, and C. E. Pierce and J. G. Johnson as other members, to investigate relative to the refund-ing of the town debt, their report to be filed before the next gathering of the general assembly.
